Dear Senator:

I am writing to you on behalf of more than 1.2 million members of the National Association of REALTORS® to urge you to co-sponsor the Livable Communities Act of 2009, S. 1619. Introduced by Banking, Housing and Urban Affairs Chairman Christopher J. Dodd, this important legislation will improve the coordination among the numerous federal programs designed to enhance the quality of life in American communities.

As we indicated in our attached letter of support to Senator Dodd, NAR believes this legislation will help federal agencies achieve their goals more effectively and maximize the use of tax dollars.

Thank you in advance for your consideration of our request.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Charles McMillan'.
