Dear Representative Bachus:

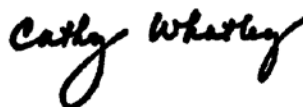

On behalf of over 900,000 members of the NATIONAL ASSOCIATION OF REALTORS<sup>®</sup> (NAR) I want to express our support for the introduction and mark-up of H.R. 2622, the Fair and Accurate Credit Transactions Act of 2003 (FACT Act). The Honorable Patrick Tiberi  
113 Cannon House Office Building  
Washington, DC 20515

Dear Representative Tiberi:

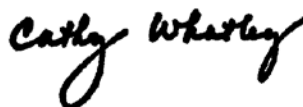

On behalf of over 900,000 members of the NATIONAL ASSOCIATION OF REALTORS<sup>®</sup> (NAR) I want to express our support for the introduction and mark-up of H.R. 2622, the Fair and Accurate Credit Transactions Act of 2003 (FACT Act). We urge you to support amendments to further enhance the objectives of this legislation.

REALTORS<sup>®</sup> ask that you adopt amendments that would define credit and insurance scores; shorten time frames for consumer reporting agencies to investigate and correct consumer credit reports; strengthen penalties for entities that repeatedly provide incorrect information to consumer reporting agencies; and require fairer treatment of consumers' multiple shopping inquiries for the best mortgage or insurance rate.

REALTORS<sup>®</sup> believe these changes will strengthen the FACT Act and balance the needs of consumers for transparency and accuracy of their information, with businesses' needs for full and accurate consumer reports.

Again, REALTORS<sup>®</sup> appreciate your efforts on this bill and look forward to working with you to strengthen the language as the process continues.

Sincerely,
