# Vaccines

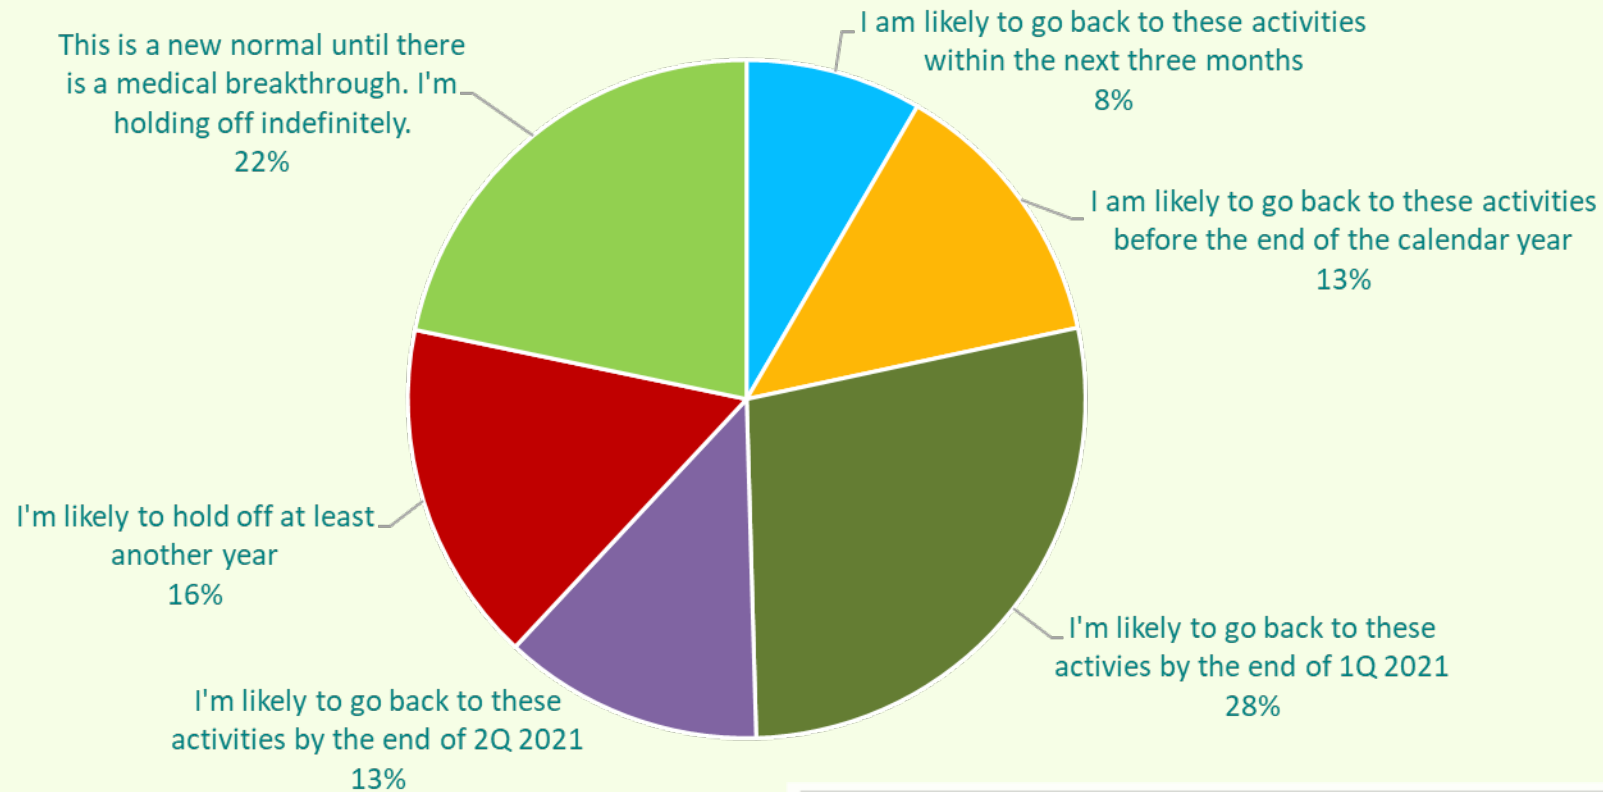

# 70% EXPECT A VACCINE IN 2021 OR LATER

When will a vaccine be widely available?

# “BREAKTHROUGH” RESPONDENTS MAY BREAK DOWN

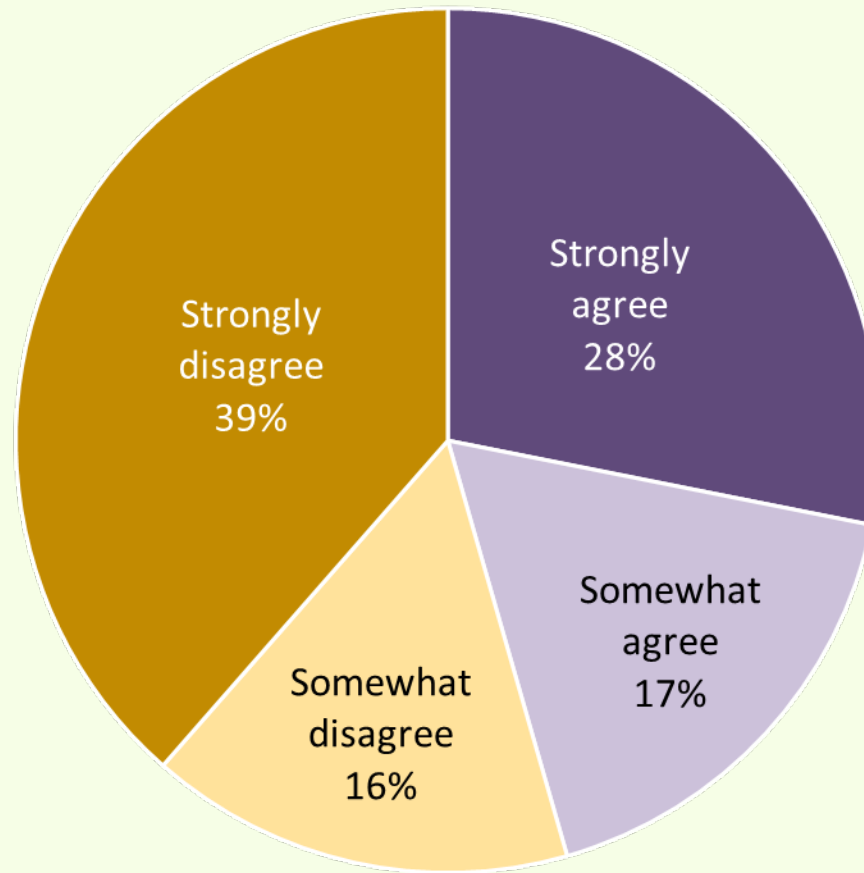

You indicated that you would not be comfortable resuming several activities unless there was an approved COVID-19 vaccine and/or a proven medical protocol to mitigate and remedy the effects of the virus. Assuming that such a medical breakthrough was years away and COVID 19 dominates our lives for the foreseeable future, how long do you feel that you will refrain from these activities absent a medical breakthrough?

# Schools & Workplaces

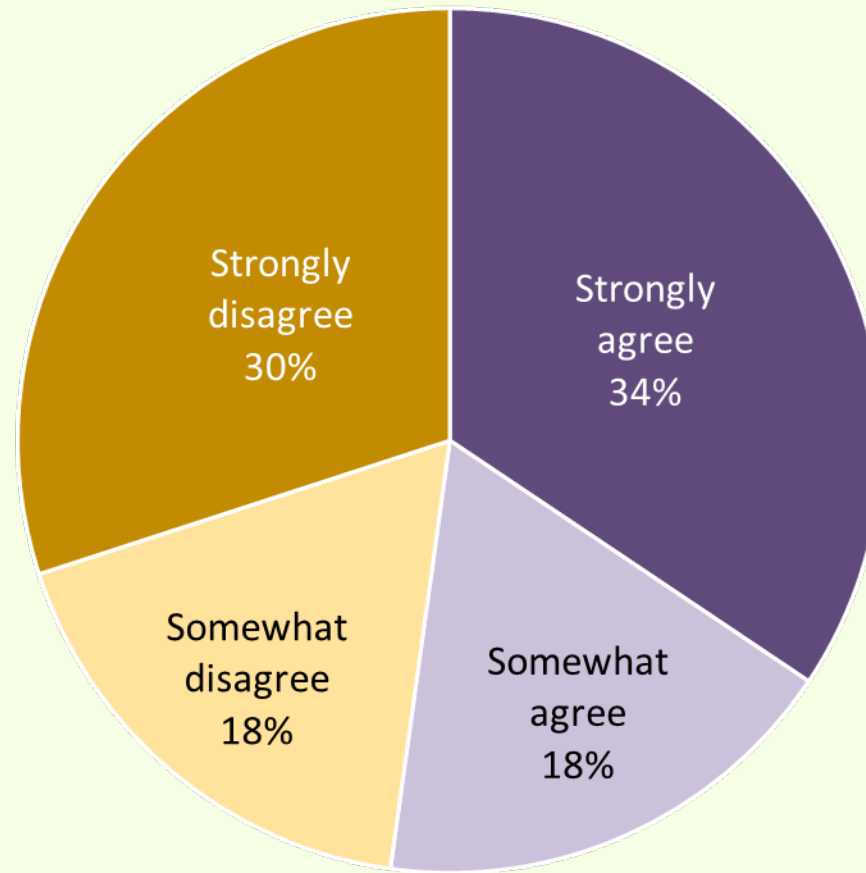

# SUPPORT LAGS FOR RE-OPENING LOCAL SCHOOLS

Schools should reopen for face-to-face instruction in my community.

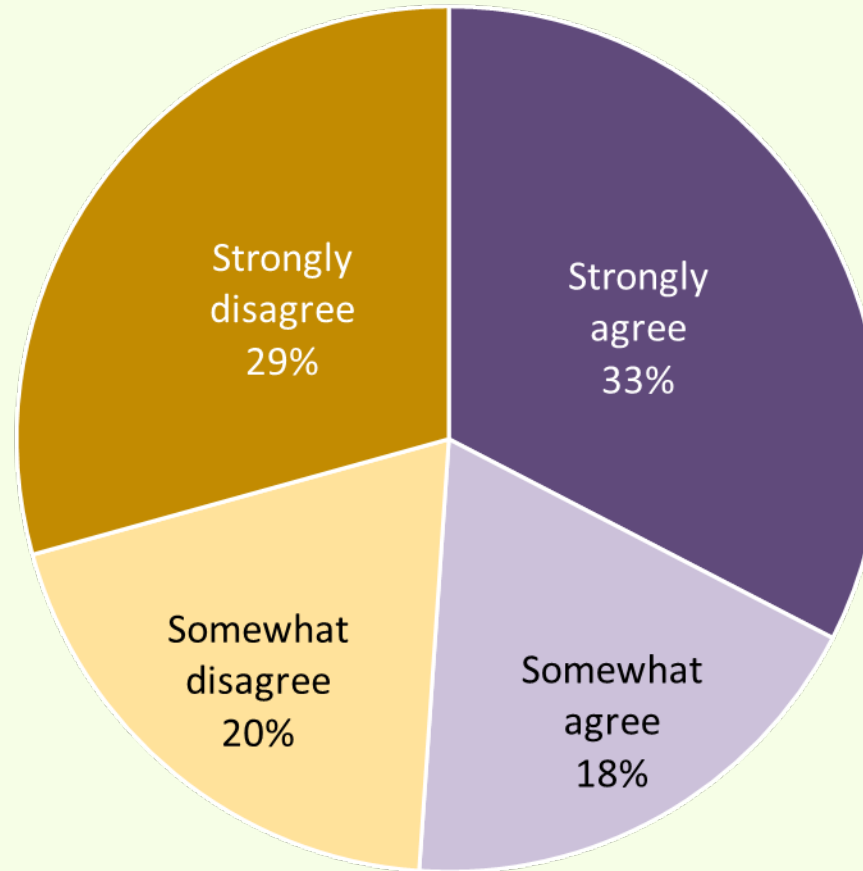

# JUST HALF SAY TEACHERS SHOULD BE REQUIRED TO RETURN

Teachers are essential workers who should be required to return to work.

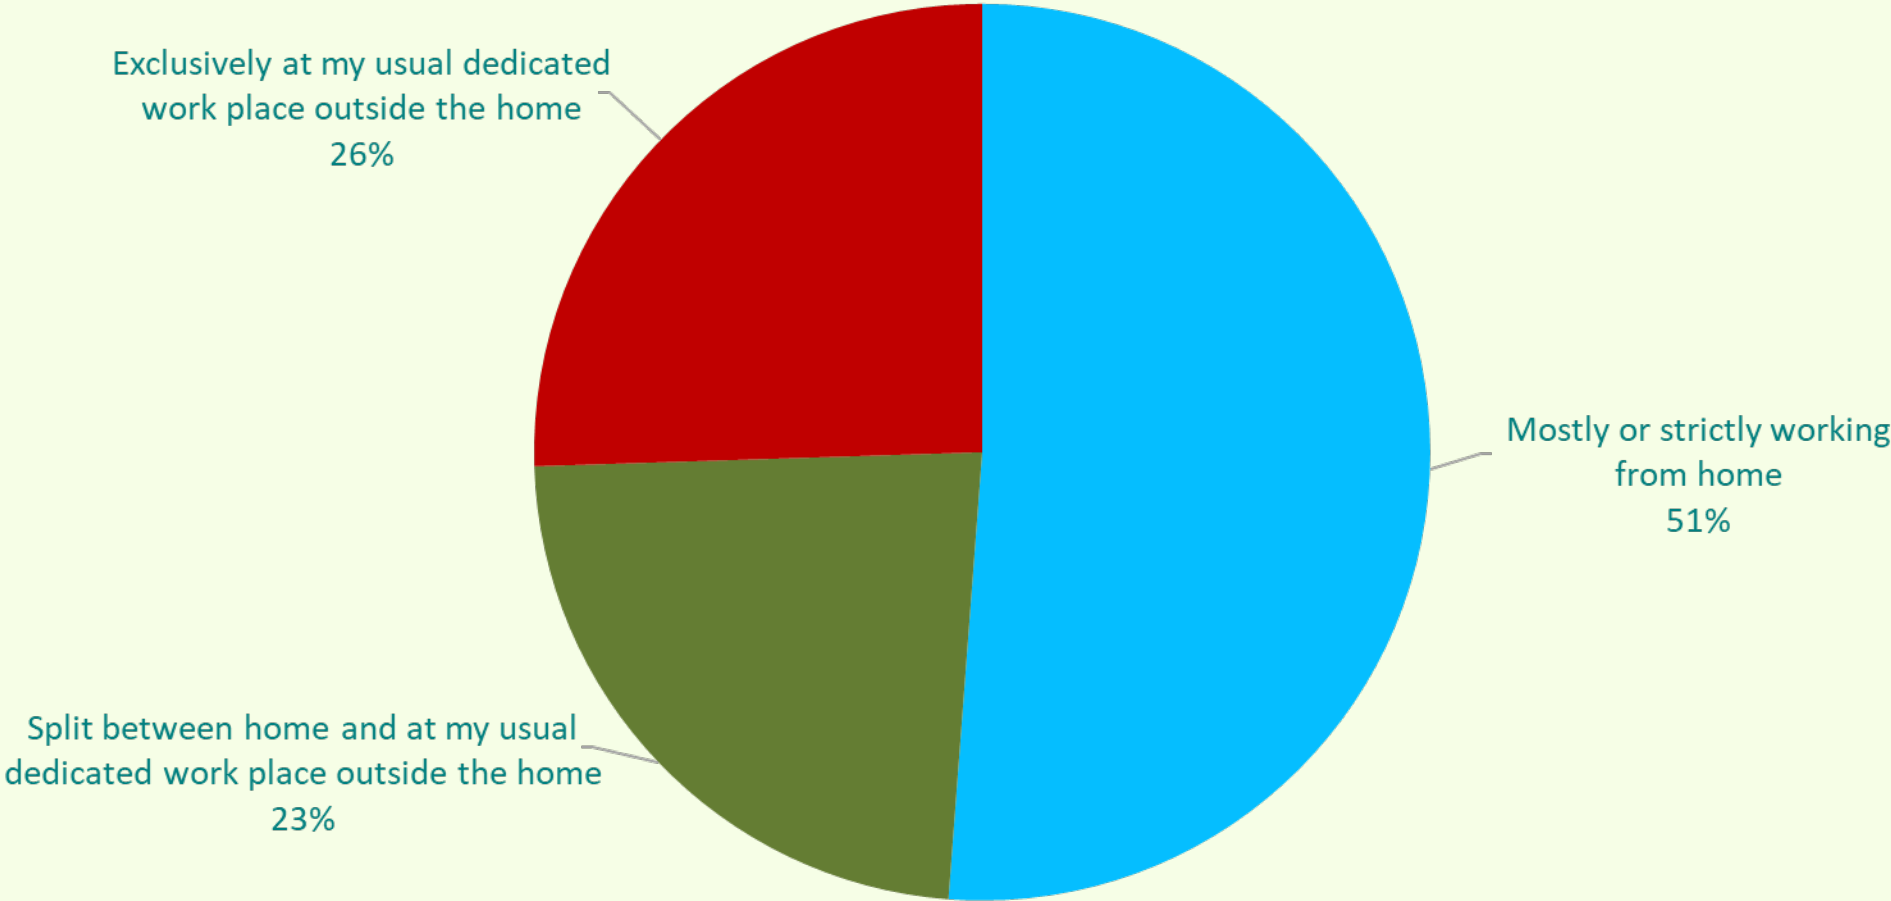

# SPORTS NOT A DRIVER OF HOW WORKPLACES SHOULD OPERATE

If professional and college sports are suspending or delaying play due to COVID-19, my workplace should also remain closed.

# MORE THAN HALF OF WORKERS ARE WORKING FROM HOME

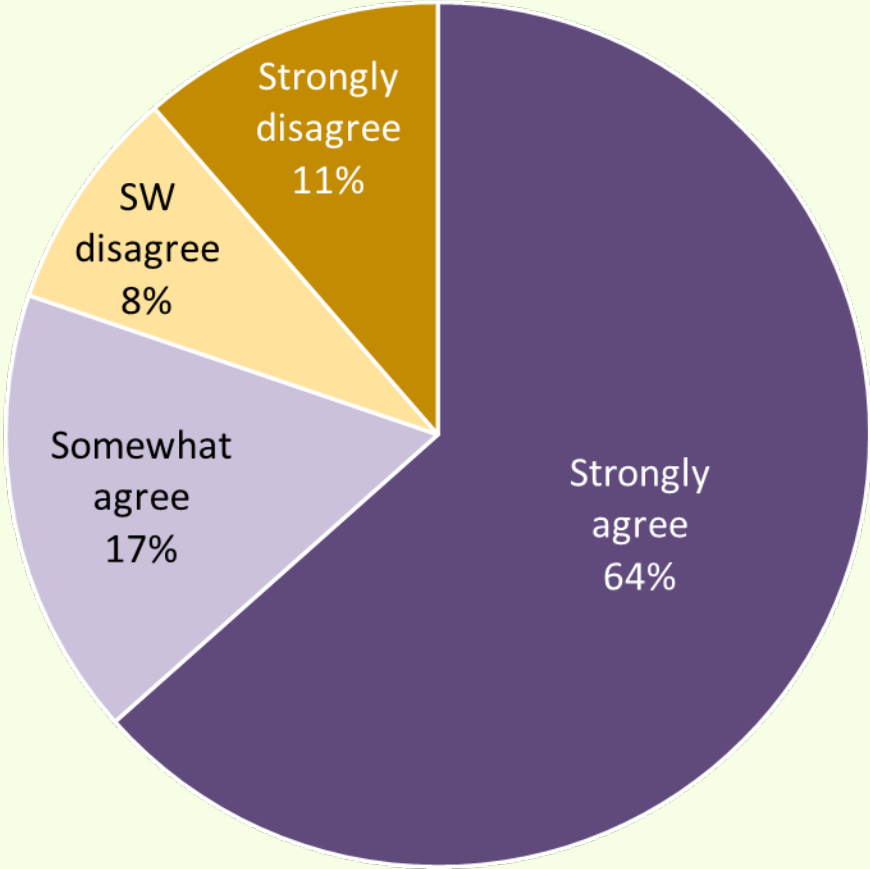

Are you presently working from home or in a dedicated workplace?

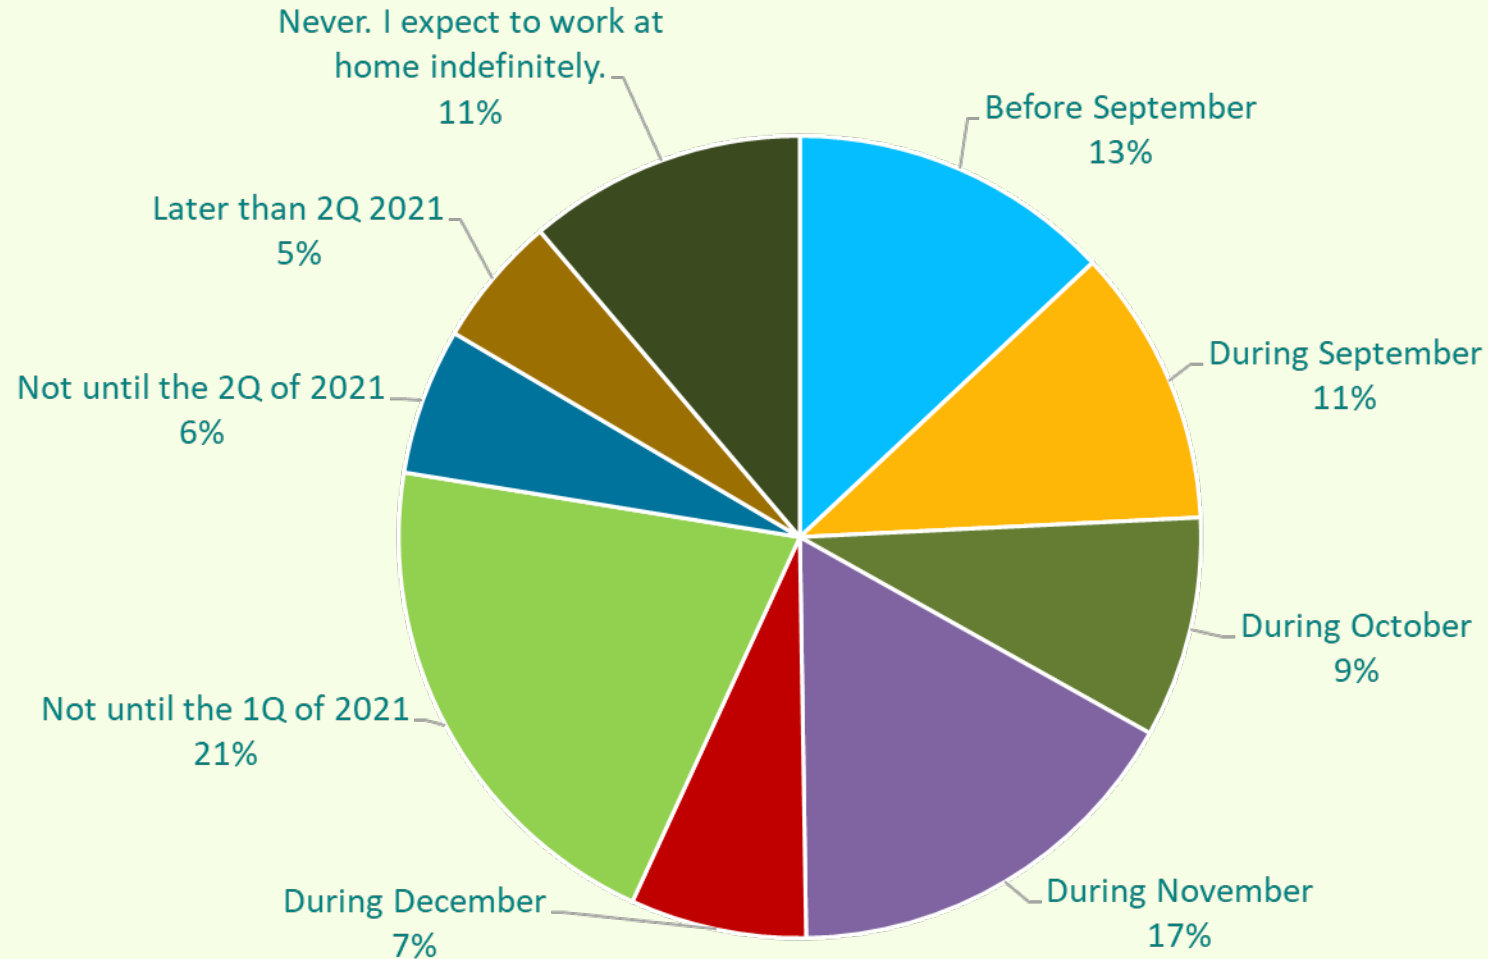

# MOST WFH-ERS ARE OPEN TO CONTINUING

Once the economy re-opens I would be open to continue working from home at least as much as I do now.

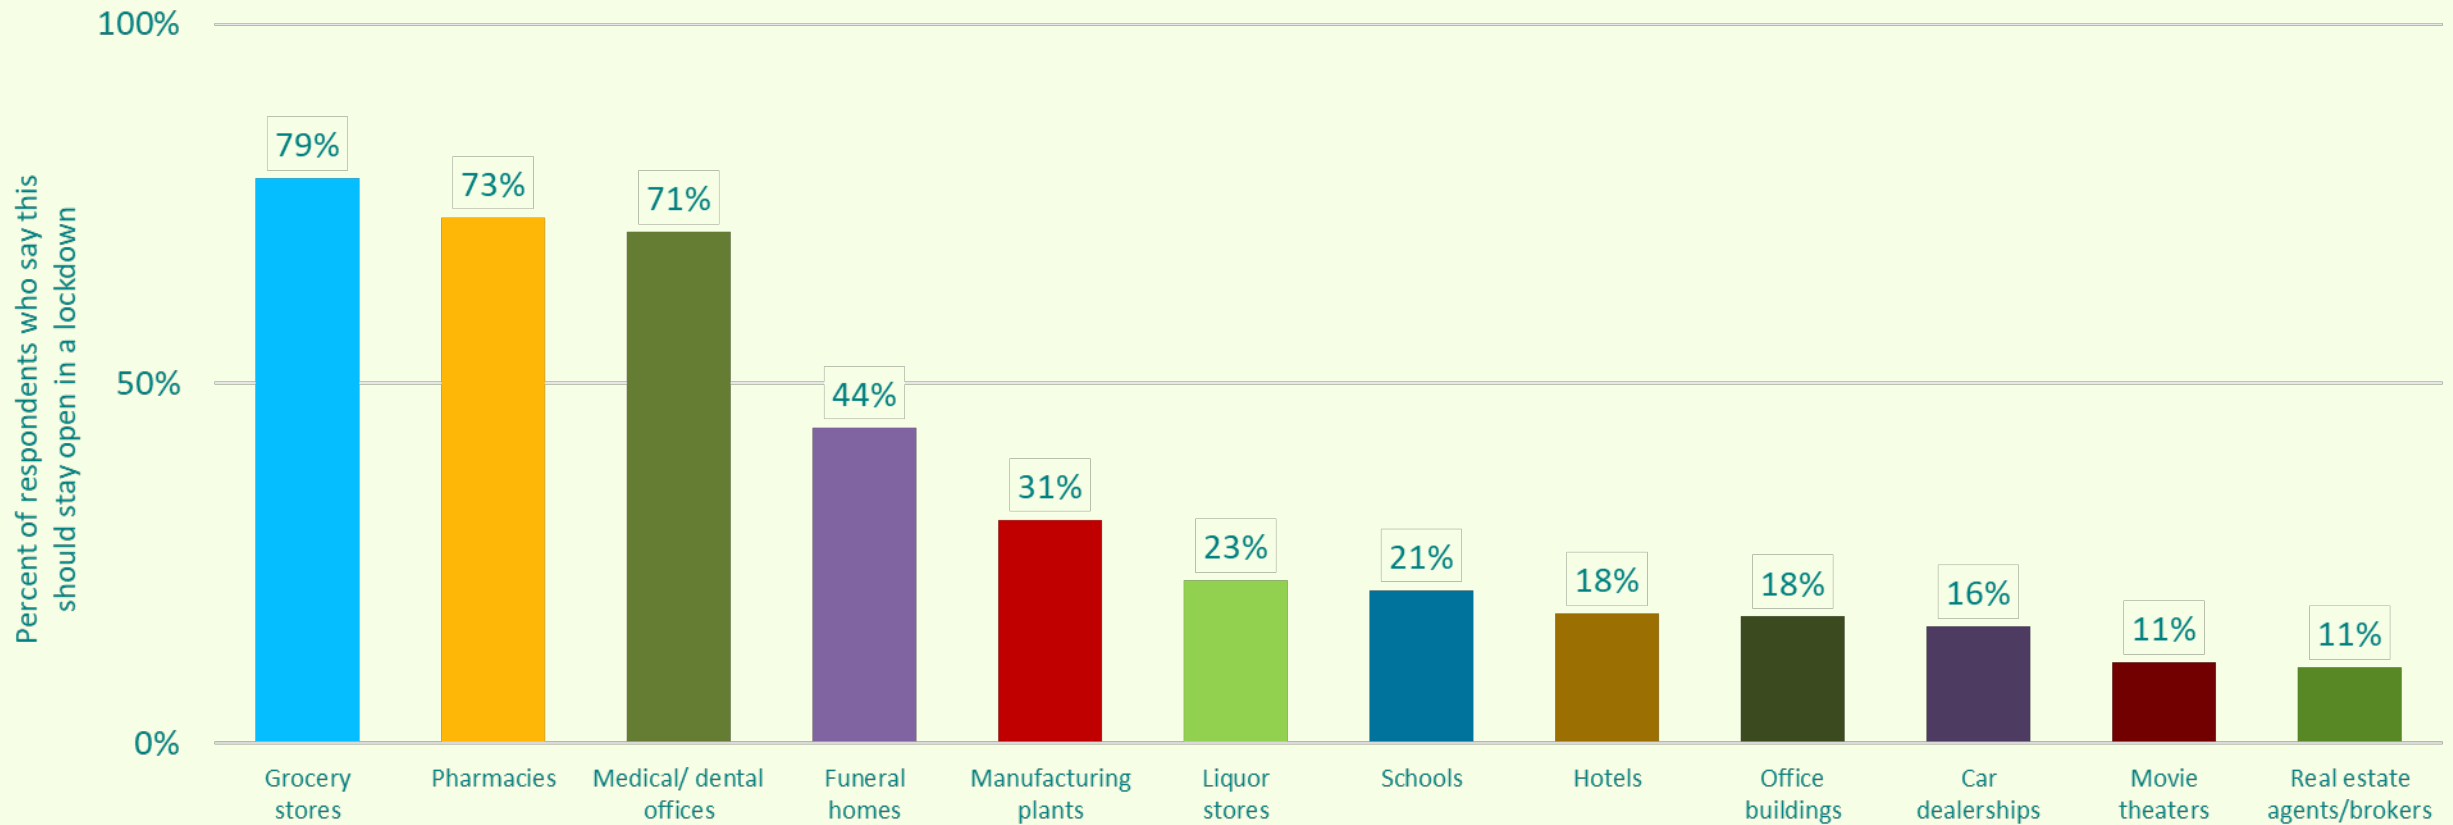

# 57% OF WFH EXPECT TO BE BACK AT OFFICE BY YEAR'S END

When do you expect to return full time to your primary place of business?

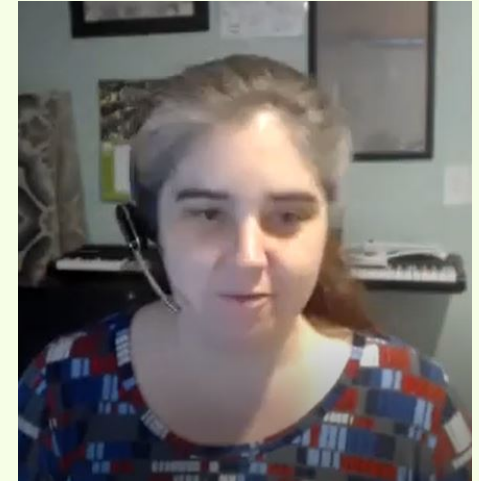

# SOME BUSINESSES ARE SEEN AS MORE ESSENTIAL THAN OTHERS

Imagine your state experiences a spike in COVID-19 cases, and the governor declares that another lockdown is needed. Which of the following establishments should be allowed to stay open because they are essential?

# IN-DEPTH INTERVIEWS: BEYOND SURVEY RESULTS

# REDEFINING THE WORK EXPERIENCE

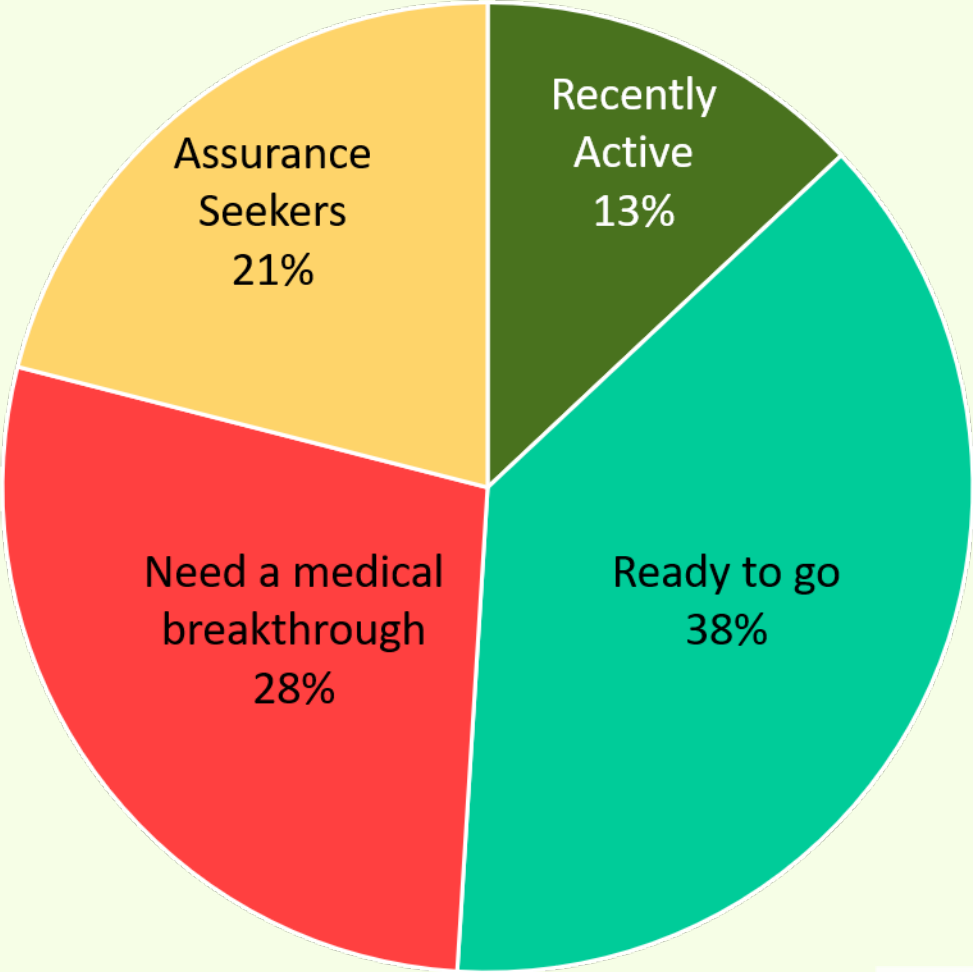

- Many WFH employees are content, and expect at least a mix of home and office offered
  - No desire to return quickly – “I don’t want to be the guinea pig”
  - Employee satisfaction - More productive, saving money
  - Company efficiency – evening response to emails, facility savings, no potential for a COVID case shut-down
  - WFH is NOT for everyone – especially younger and parents
- Big questions to consider
  - Do employees become more protective of their free time, once normal activities are resumed?
  - Do older employees plan to work longer?
  - How much workspace do companies need? What does workspace look like?
